

Giving to charity

- <https://www.bbc.co.uk/teach/school-radio/articles/zgtf46f>

- *What are some of the main ways you can help a charity?*

(Give money; make a donation; take part in a fundraising event; volunteer your time)

- *Can you remember the two big fundraising events that happen in the UK in November (Last week) and March each year?*

(Children in Need and Comic Relief / Red Nose Day).

- *These two charities raise millions of pounds every year. Why do you think they're so successful?*

- *What else could you be sponsored to do to raise money?*

- *What did the people taking part in the video say were some of the reasons for helping a charity?*

(Not just to help others, but because it feels good; you meet new people; you get to do something new; you learn new skills; any other sensible suggestion)

Turn to the person next to you and tell them what you would do to help a charity and why?

5 Ways to Wellbeing – Give

How did you support Children in Need?

Article 27 (Adequate standard of living):

Fundraising can provide aid for a proper home, food, and clothing for children in need.

Helping a charity can be a fun thing to do...but the reasons charities exist are entirely serious...

There are people in this country and all around the world who rely on the support of a charity...perhaps because they don't have enough food to eat...or a home to live in...or access to medical support...

We all have the opportunity to help others, whether by giving to charity, or by some other means...

Think about why it's important to help others when we can...

And think about a time when you needed support...and what it felt like when someone helped you...

Thank you for the charities that give support to people in the UK and around the world.

Thank you for the people who give their time and money to support those charities...and help to make the world a better place.

Help us to remember that we all have the power to make a big difference to those in need of help.

Amen.
