The 2026 Challenge – Sponsorship Event

Dear Parents/Guardians,

We are excited to announce our 2026 Sponsorship Challenge. On Thursday 14th May we will be holding a fun and active sponsorship event. The challenge links to the year 2026, with children aiming to complete 26 of a sporting activity voted for by their class.

This event is designed to encourage teamwork, perseverance, and healthy activity, while also raising funds to support the school and enhance opportunities for our children.

What is the challenge?

Each child will take on a “26 Challenge”, completing one of the following activities (or something similar, agreed with staff and their class):

- 🏃 **26 laps** of the school field or playground
- ⚽ **26 ball skills** (such as hitting a ball with a bat, kick-ups, or throws and catches)
- ● **26 jumps** over hurdles or markers
- 🏊 **26 star jumps, skips, or hopping steps**
- 🚲 **26 minutes** of continuous movement or activity
- 🏆 Any other suitable **sporting or physical activity**, adapted to age and ability

A sponsorship form is attached, and we kindly request the completed form and sponsorship money to be returned to school by Friday 15th May.

Why take part?

Alongside being great fun, the 2026 Challenge helps children to:

- Build confidence and resilience
- Enjoy physical activity
- Feel proud of contributing to the school community

All funds raised will go towards supporting school resources, activities, or projects that benefit our pupils.

Thank you, as always, for your continued support. We are really looking forward to cheering the children on as they rise to the 2026 Challenge!
